CAIRO & ALEXANDRIA – EGYPT

YOUR STAY IN CAIRO - 4 NIGHTS

Cairo is the capital of Egypt and the largest city in the Arab world. Its metropolitan area, with a population of over 20 million, is the largest in Africa, the Arab world, and the Middle East, and the 6th -largest in the world. Cairo is associated with ancient Egypt, as the famous Giza pyramids complex and the ancient city of Memphis are in its geographical area. Cairo was founded in 969 AD by the Fatimid dynasty, but the land composing the present-day city was the site of ancient national capitals whose remnants remain visible in parts of Old Cairo. Cairo has long been the center of the region's political and cultural life and is titled "the city of a thousand minarets" for its preponderance of Islamic architecture.

Cairo is famous for its own history, preserved in the fabulous medieval Islamic city and Coptic sites in Old Cairo. The Egyptian Museum in the center of town is a must see, with its countless Ancient Egyptian artifacts, as is shopping at the Khan al-Khalili bazaar. No trip to Cairo would be complete, for example, without a visit to the Giza Pyramids and to the nearby city of Memphis, Saqqara Pyramid Complex where visitors will see Egypt's first step pyramid built by the architect Imhotep for the third dynasty Pharaoh, Djoser.

Alexandria is a Mediterranean port city in Egypt. During the Hellenistic period, it was home to a lighthouse ranking among the Seven Wonders of the Ancient World as well as a storied library. Today the library is reincarnated in the disc-shaped, ultramodern Bibliotheca Alexandrina. The city also has Greco-Roman landmarks, old-world cafes and sandy beaches. Its 15th-century seafront Qaitbay Citadel is now a museum, The catacombs of Kom El Shoqafa is a historical archaeological site located in Alexandria as well, Egypt, and is considered one of the Seven Wonders of the Middle Ages. Pompey's Pillar is the name given to a Roman triumphal column in Alexandria, Egypt. Set up in honor of the Augustus Diocletian between 298-302 AD, the giant Corinthian column originally supported a colossal porphyry statue of the emperor in armor.

TRANSFER

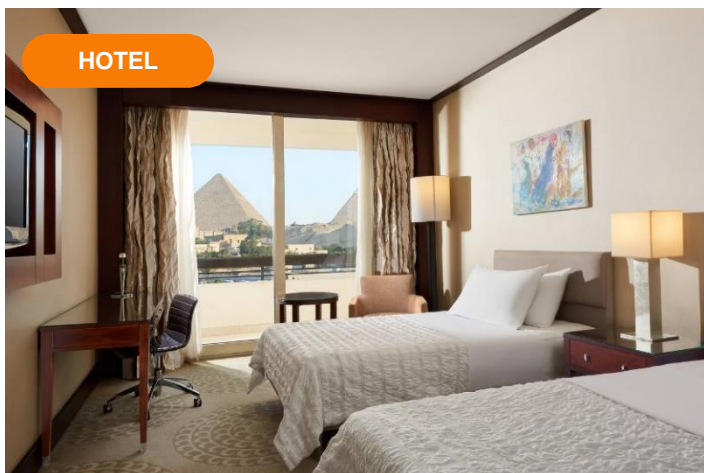

AIRPORT TRANSFER
